**Three Retirements:** Three staff members will be retiring at the end of this school year. This provides the students, parents, congregation, and other staff an opportunity to say "Thank You for your service". Bonnie Justman, Second Grade Teacher, has served the church and school twenty-three years at St. Martin and education in total thirty-seven years. Maerita Starr has been our Assistant Cook at St. Martin Lutheran School for the past three years. She has several years of service in lunchroom service before coming to St. Martin. We thank them for their service and ask God to continue to bless them in their future endeavors.

- We are going to run the Scrip program with our church fiscal year – July 1 to June 30. We will be closing out the Scrip program on June 30<sup>th</sup> for this next year's school year credit (2010-2011). We will try to get you a statement with our summer letter that will be going out around July 20<sup>th</sup>.
- If you have any questions about Scrip, please contact Scrip coordinator, Tammy Higgins at 823-3170.

**Pre-registration for St. Martin Lutheran School:** Just a reminder that the \$50 pre-registration fee per family needs to accompany the application. Applications may be picked up at the office during the week, downloaded from our web site [www.stmlc.org](http://www.stmlc.org) or request that I mail one to you. It costs \$4,636 to educate each K-8 child. As enrollment increases, the cost per student goes down. When we get to full enrollment, then the cost per child decreases to \$3,547. As you can see, no family pays the full cost to educate their child. The congregation financially supports each child the difference of tuition and cost per student. **Thank you St. Martin Lutheran Church for its commitment to Christian education!**
